PUBLISHED BY THE BOOSTER CLUB SUPPORTING THE MIRA COSTA MODEL UN PROGRAM

President's End of School Year Message

To the wonderful parents of the Mira Costa MUN Booster Club

With yearbooks already picked up, prom over, and the conclusion of the senior banquet, the end of the year is finally upon us. For many this means saying goodbye to Mira Costa MUN and our seniors as they embark on the road to college. For me, it also means the end of my presidency of the booster club. Without getting too overly sentimental, I want to thank all those parents who made my life so much easier and reflect on a program, of which I am very proud.

First, I want to thank all my fellow board members. Dolores Kreig, First VP; Lori Burns, Second VP of Finance; Stephanie Ram, Third VP of Travel; Linda O'Neill, Treasurer and Amy Berg, Secretary. Your fierce dedication to our children and this program made every one of our board meetings all the more enjoyable. I also want to thank all the appointed chairpersons who worked so hard and helped the booster club to function so successfully this year. To all of the parents, thank you for attending the general meetings and always being willing to volunteer your time and energy. As the program continues to grow, the booster club plays an invaluable logistical role in helping our children succeed.

As I look back on my six-year involvement with Mira Costa MUN, I am filled with pride for the program. I never thought that when I attended my first general meeting in 2000, that I would someday take over as president; to be perfectly honest, it did take some persuasion. As I reflect on my presidency, I am grateful. I have enjoyed very much working with Bob Timberlake and Wayne Knutson as they guided our children in the right direction. I have invested six years into Model UN because I have seen the results in both of my own daughters and I truly believe in this program.

I could digress on the benefits and advantages of MUN, but this is neither the time nor place. I want to wish our seniors the best of luck next year in whatever they do and welcome the new board members. Thanks again to everyone for a rewarding and successful year!

Have a wonderful summer,

Edith Shure
